How do you like to spend those last precious weeks of summer? Maybe you get the family together for a few more backyard BBQs. Maybe you hang out with friends, sipping a tropical drink while the kids play together. Maybe you get in one more trip to the shore before school starts.

Whatever you enjoy doing, chances are your list doesn't include vacuuming. Or mopping. Or cleaning the ceiling fan. Or any of the million and one other household chores that need to be done to keep the house clean and welcoming for you and your family.

That's where You've Got MAIDS of Quakertown and Lehigh Valley steps in!

With a team of professionally trained Maids—each of whom is fully insured and bonded—and a passion for making the places you live and work comfortable, healthy, and beautifully clean, You've Got MAIDS of Quakertown and Lehigh Valley has been providing thorough and professional cleans for both residential homes and businesses for almost a decade.

We're a family-owned business, so we know how to treat the spaces that are special to your family. We're also local, highly involved in the Quakertown and Lehigh Valley community, and committed to providing personalized and exceptional service to every home and office we clean.

For us, that means bringing you a service that is:

Customizable. Your clean is completely tailored to what you need. If you're looking for an overall and thorough sprucing up, you can always go with our signature 52-Point Spring Clean™, or you can have a dedicated cleaning team spend a few hours focusing on your particular priorities. From routine cleanings to prep for a special occasion, from washing windows to cleaning floorboards and everything in between, tell us what matters to you, and we'll take care of it.

Professional. Your cleaning team will show up in uniform, in a company vehicle, with all of the necessary supplies and equipment. Every one of our Maids receives the same specialized training, which

means you get the same high-quality clean every time. Affordable. With a wide range of cleaning options that are adjustable to your needs, a thorough and professional clean is also budget friendly and cost effective.

Efficient. Our Maids are trained not only to deliver an expert and customized clean but also to do it efficiently. Two Maids can often accomplish in a couple of hours what would ordinarily take a much longer amount of time—and much more effort. This frees you up to enjoy a few more summer memories

with family and friends, not to mention lightening the load once the busy back-to-school season starts.

Healthy and Environmentally Friendly.

The health of you and your family is impacted by the cleanliness of your home—and by the quality of the tools and supplies used in cleaning it. At You've Got MAIDS of Quakertown and Lehigh Valley, we are proud to use environmentally friendly cleaning supplies for a truly deep clean.
