

BUCKS COUNTY

## Designer House & Gardens

*To our thousands of visitors, hundreds of volunteers, Carolyn and Derek Fell, the 2018 Honorary Chair, sponsors, advertisers, auction donors, boutique operators, designers, landscapers, Doylestown Health, event supporters, as well as our neighbors in Tinicum Township who offered us a warm welcome ...*

# THANK YOU

*for making the 43rd Bucks County Designer House & Gardens a success.*

**With your support, over \$293,000 was raised and will go back into the Central Bucks County community.** Hundreds of families, women in post-secondary education programs and community-interest groups who are in need of financial and other assistance will receive help. Additionally, outstanding teens will receive college scholarships and funds to attend leadership training. The historic James-Lorah House in Doylestown will also receive funding to support long, overdue repairs.

The Center for Heart and Vascular Care at Doylestown Hospital received \$230,500 of these proceeds. Designer House funds will support the Heart Institute which is embarking on a transformative renovation and expansion of a new Endovascular Hybrid Surgery Suite.

MEDIA SPONSOR | Bucks County Women's Journal

*Join us next year to tour Stone Ridge Farm, the property once serving as Pearl S. Buck's dairy farm.*

Buildings include a stone farmhouse dating to 1791, a 10,000 square foot converted barn that currently serves as a 10-room bed and breakfast, caretaker quarters, and much more.

Visit [BucksCountyDesignerHouse.org](http://BucksCountyDesignerHouse.org) to learn more about tours and special events including the kickoff Empty House Party on February 24, 2019.
