

## Banish the Winter Blues

*Keep your home bright and cheery with a professional clean!*

Director of Operations, Holly Goodwin  
and Owner, Elsa O'Brien

Winter is here, and, while we may be dreaming of sunny days at the beach, we have a few more months of snowy, slushy, icy weather between us and those lazy, toes-in-the-sand days.

With the snow and ice and rain come some unique challenges for our homes and offices. People and pets coming in from snowy weather track muddy or wet prints inside, and floors and carpets get dirty much more quickly. Add the germs from winter colds to the wear and tear on your home or business from the weather, and you've got a space that needs a little extra TLC.

That's where You've Got MAIDS of Quakertown and Lehigh Valley comes in! We know what it takes to keep a home and a business in tip-top shape during the winter months because we live and work in the community and treat your home and office space as though it were our own. Our family-owned business has been serving residential and commercial clients in Quakertown and the Lehigh Valley for almost a decade with customized, affordable,

and professional cleans for homes and businesses.

Deeply rooted in the local community, we care about our customers and provide personal attention to detail to ensure the spaces that matter most to you are as clean and healthy as possible. Every one of our Maids is fully insured and bonded and undergoes extensive professional training to consistently deliver on all of your cleaning needs efficiently and thoroughly, every time.

Your cleaning team will show up in uniform, in a company vehicle, with supplies and equipment specifically developed to be friendly to the environment but tough on dirt, germs, and allergens. Our industrial-strength HEPA vacuums and microfiber cleaning cloths are scientifically designed to pick up and eliminate almost all allergens, contaminants, and germs—just in time to handle the coughing and sneezing that goes along with those winter colds!

Our cleans are completely customizable, with

packages available to fit a wide range of needs and budgets. Whether you want us to focus on a particular room, clean those hard-to-reach places like ceiling fans, concentrate on windows and baseboards, or complete a prioritized list of tasks, you can count on You've Got MAIDS of Quakertown and Lehigh Valley to deliver reliable, high-quality service.

And, with all the cleaning done, you can relax with some of the good things February and March have to offer. Think cozy moments

with family, warming cups of hot chocolate, and the occasional snow day—all enjoyed in a home that's bright and warm no matter what's going on outside.

While you're keeping cozy, don't forget to plan something special for your sweetheart this Valentine's Day. A gift certificate from You've Got MAIDS of Quakertown and Lehigh Valley makes the perfect Valentine's Day gift for that special person in your life. Take the stress and work of cleaning off her plate and use the time to relax

together and enjoy each other's company!

For all of your residential and commercial winter cleaning needs—plus Valentine's Day gift ideas for that special someone—the experts at You've Got MAIDS of Quakertown and Lehigh Valley have you covered. Give us a call today at 215-529-7837 and let us know how we can help you banish the winter blues and enjoy your time with family, friends and colleagues in a sparkling clean home or office!
