

A Quality Clean for Every Season

You've Got MAIDS of Quakertown & Lehigh Valley takes your home or office from summer to fall with clean, cool comfort!

Director of Operations, Holly Goodwin and Owner, Elsa O'Brien

August and September are all about change. We go from the last days of summer to the first days of fall, from BBQs to bonfires, and from lazy days in the pool to the hustle and bustle of back to school.

Two things, though, always stay the same:

The comfort and enjoyment of a clean home and the commitment of You've Got MAIDS of Quakertown and Lehigh Valley to make yours sparkle.

Whether you're enjoying the last long, warm days of summer with a cookout, sitting with the kids at the kitchen counter to do homework, or getting the house ready for fall festivities, You've Got MAIDS of Quakertown and Lehigh Valley will make sure your space is a welcoming and healthy gathering place for family and friends.

As a family-owned and -run business, we know how important it is to provide a healthy and happy place for the people you love. And as a local company with strong ties to the community, we have a passion for serving the families and businesses of Quakertown and the Lehigh Valley with the highest quality of service and professionalism.

You've Got MAIDS of Quakertown and Lehigh Valley has a decade of experience providing customized and expert cleans to homes and office spaces throughout the region. Specializing in both residential and industrial cleaning, our Maids are professionally trained to

deliver the same quality service with personal attention to detail every time.

Our commitment to you is based on professionalism, personal service, and a passion for quality:

Professionalism. In addition to receiving world-class training for consistent quality of service, all of our Maids are fully insured and bonded. They'll arrive at your home or office building in uniform, in a company vehicle, with all of the necessary supplies and equipment to meet your cleaning needs with expert care.

Personal Service. Our cleans are completely customizable and can be tailored to fit your specific needs and budget. Whether you want to take advantage of our signature 52-Point Spring Clean™ to brighten and cleanse every surface in your home, or you choose instead to have your cleaning team focus on a few heavy-duty projects

like cleaning floorboards, windows, or appliances, your priorities become our mission.

Passion for Quality. At You've Got MAIDS of Quakertown and Lehigh Valley, we're so passionate about delivering an exceptional and thorough clean that we even choose environmentally friendly cleaning supplies to do it. We want the products that clean your home or office to be safe for the people in it, and we want the equipment we use to support not only a clean living and working environment but a healthy one. That's why we use industrial-strength HEPA vacuums that are scientifically engineered to

remove nearly all the dirt, dust, contaminants, and allergens from your home as well as microfiber cleaning cloths designed to pick up and eliminate almost all dirt, bacteria, and germs.

As the seasons change, we invite you to relax and enjoy the things that don't—the joy of time with family and friends, made all the more special by the comfort of a clean, healthy, welcoming home.

Give You've Got MAIDS of Quakertown and Lehigh Valley a call today at 215-529-7837 and let us know how we can make your home or office a relaxing destination at any time of the year!
